

# CELERIS EXIM

HOSPITALITY TEXTILE SOURCING CONSULTANCY

## Hospitality textiles, sourced with clarity.

Independent sourcing coordination from verified Indian mills, built for professional hospitality buyers.

---

INDIA | GCC-FIRST | DIRECT-TO-MILL

[celerisexim.com](http://celerisexim.com)

# A reliable source is more than a factory name.

**Celeris Exim turns a supplier search into a controlled sourcing process.**

## **VERIFIED**

Supplier documents and export history are checked before introduction.

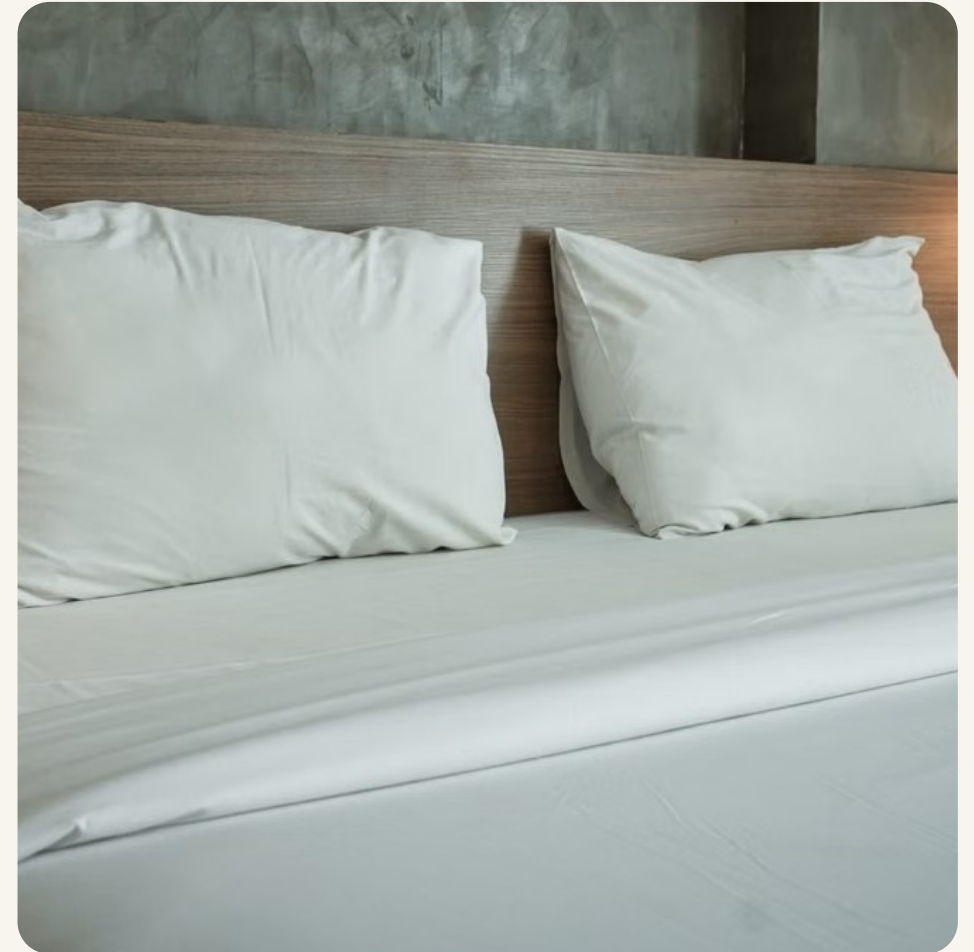

## **COORDINATED**

Specifications, parallel samples, inspection, documents and shipment move through one contact.

## **DIRECT**

You choose the mill, contract with the mill and keep the supplier relationship.

**One point of contact. No loss of commercial control.**

# Source the full hospitality textile programme.

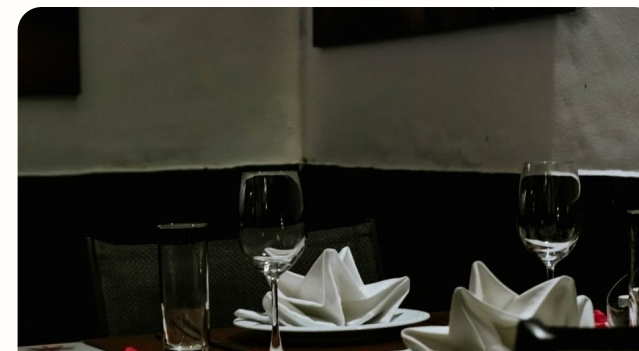

## BED

Sheets, duvet covers, pillowcases, protectors and duvets

## BATH + SPA

Terry towels, bath mats, robes and pool towels across GSM ranges

## TABLE + F&B

Tablecloths, napkins, runners and banqueting linen

## EXTEND THE PROGRAMME

### PILLOWS + DUVETS

Hospitality fills and protectors

### CUSTOM + PRIVATE LABEL

Sizes, GSM, dobby borders, embroidery

### PRE-OPENING

Coordinated packages against handover dates

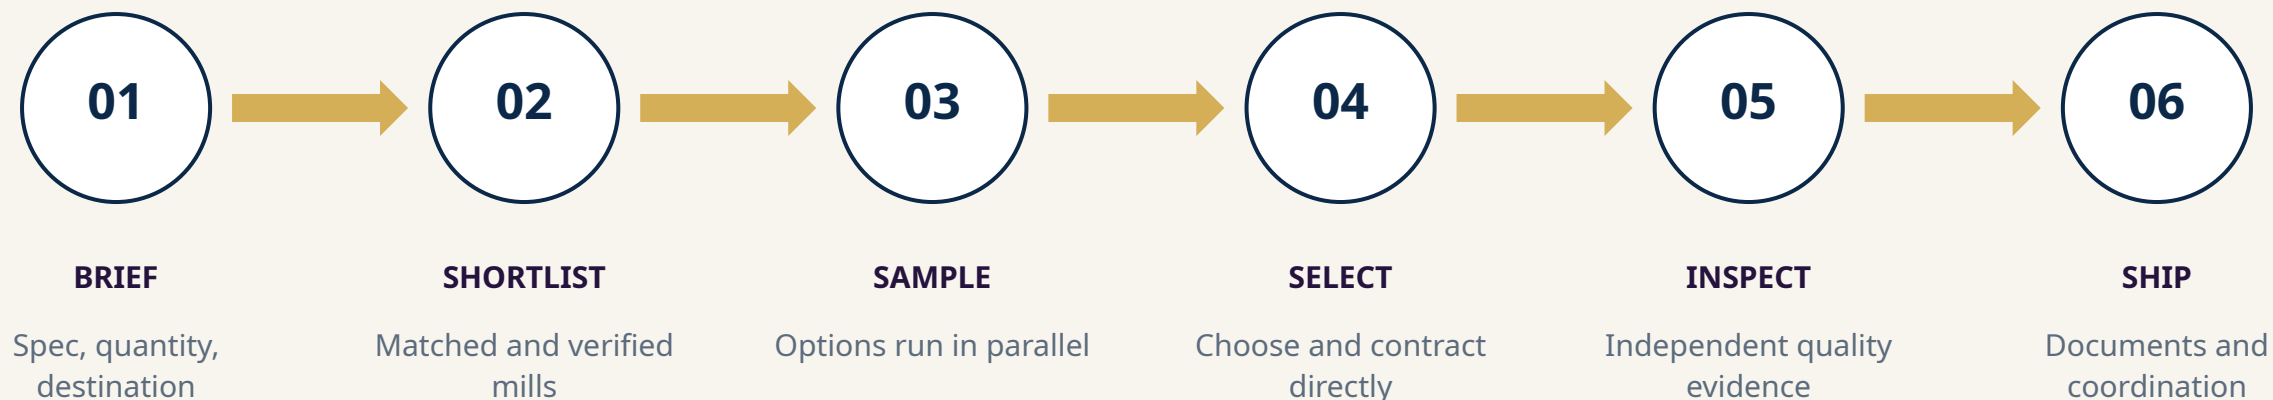

### RENTAL + LAUNDRY

Bulk replenishment programmes

# You keep control. We keep the sourcing moving.

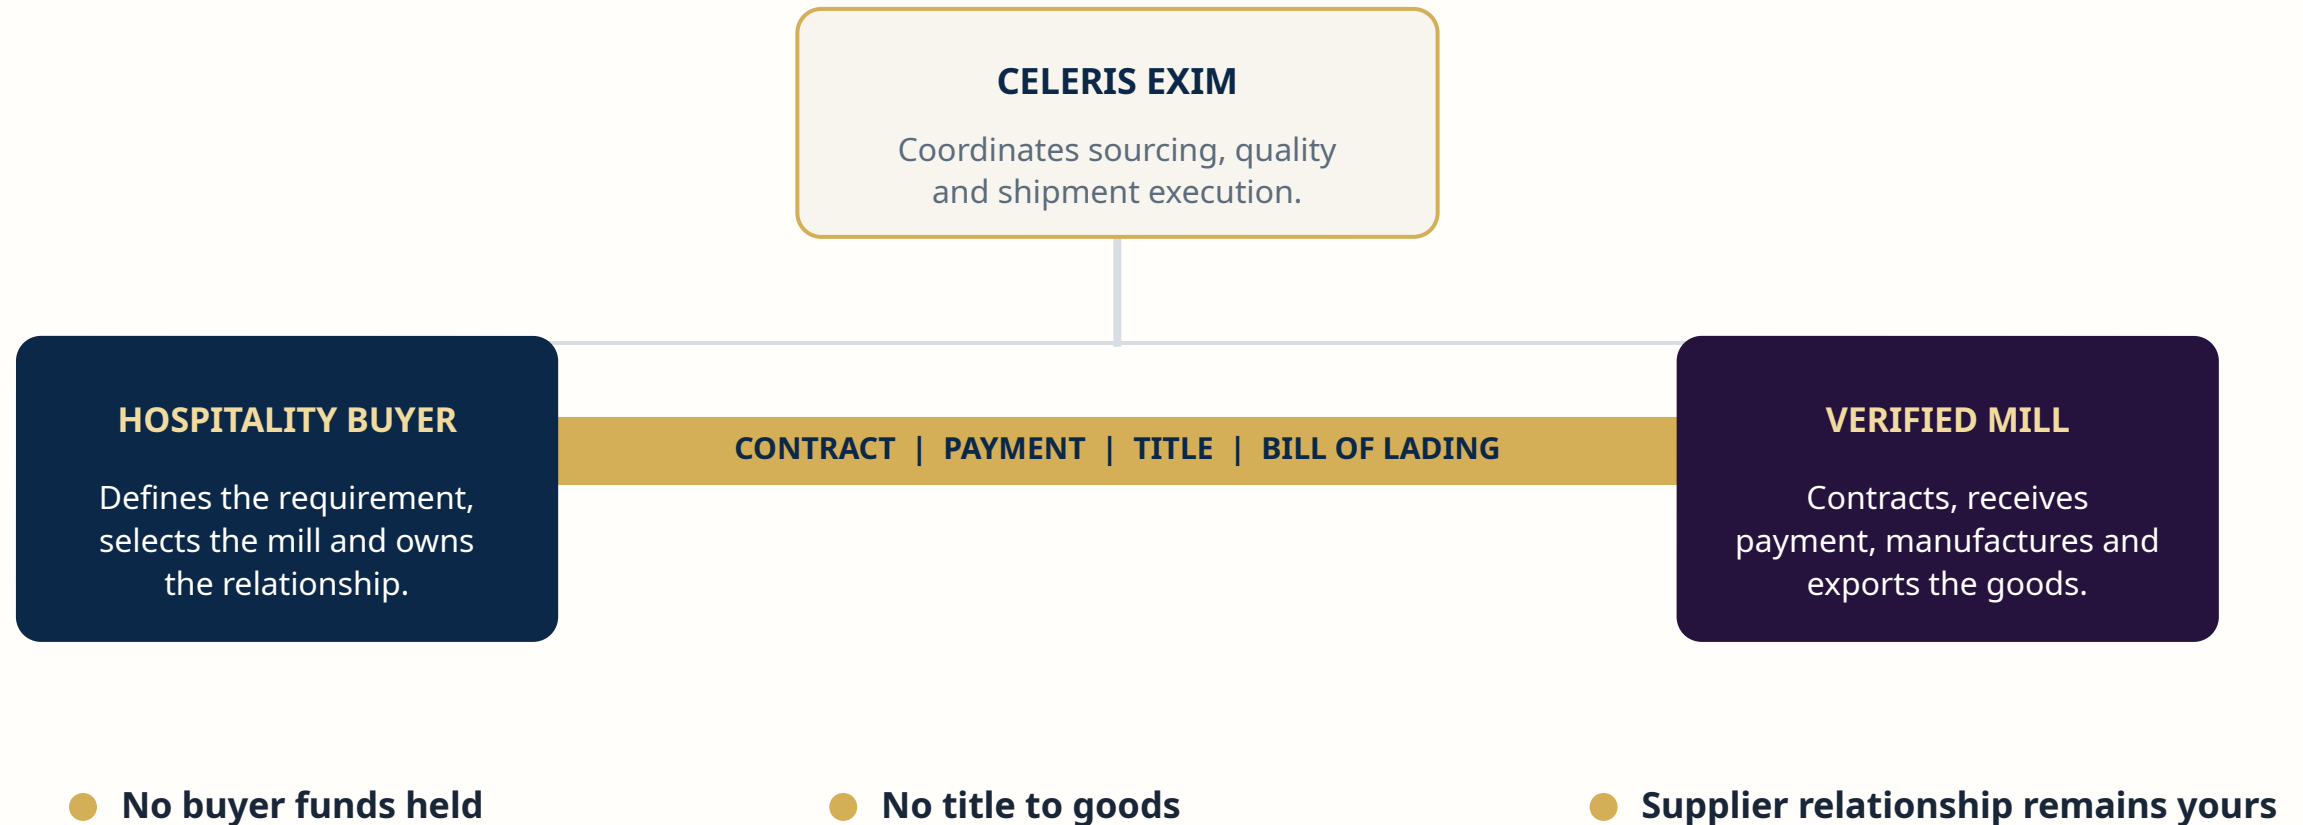

A simple six-step flow from specification to shipment

**Contract, payment, title and bill of lading stay directly between buyer and mill.**

# The buyer-to-mill relationship stays direct.

The core sourcing service is free to the buyer. Celeris is paid by the supplier only when goods ship.

# Verified capacity across India's linen clusters.

We focus on the Solapur and Karur textile clusters in India, then match mills to the specification, volume and delivery window.

## DOCUMENTS

IEC, GST registration, export history and available certifications

## CAPABILITY

Product fit, hospitality construction, customisation and practical capacity

## TRANSPARENCY

Verification documents are shared for your independent review

## QUALITY ASSURANCE

# Quality is checked, and the evidence goes straight to you.

### 01 Sample benchmark

Compare real mill output before selection.

### 02 Independent inspection

Arrange in-line or pre-shipment checks when required.

### 03 Direct reporting

Inspection evidence is sent to the buyer, not filtered through Celeris.

### 04 Export readiness

Review packing lists, commercial documents and CEPA origin paperwork.

# One sourcing base for Middle East & Africa buyers.

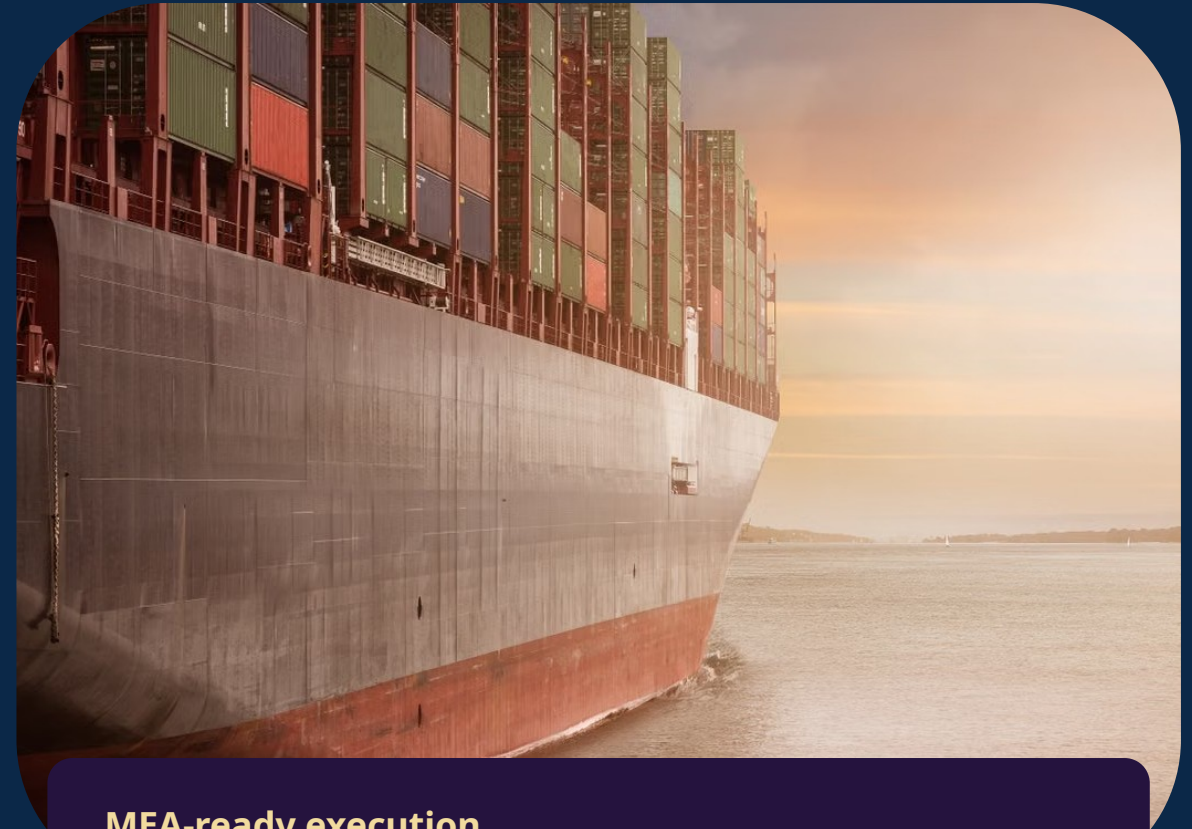

# INDIA

## integrated textile sourcing

A broad textile value chain, export-ready mills and Celeris coordination for specifications, quality and shipment.

---

Duties and origin rules vary by destination and HS classification.  
Confirm treatment before order.

## MEA-ready execution

Mill matching, inspection evidence, export documents and freight-forwarder coordination around your destination.

# Built for programmes where consistency matters.

## IDEAL BUYER PROFILES

### Hotel supply distributors

Repeat SKUs, private label and dependable replenishment

### OS&E importers

Specification-led sourcing across multiple categories

### Linen rental and laundries

Commercial-laundry performance and bulk programmes

### Hotel groups and pre-opening teams

Coordinated packages aligned to handover dates

**MARKETS**    **UAE** | **Saudi Arabia + Qatar** | **UK + EU** | **Australia + New Zealand**

## A LOW-FRICTION FIRST ENGAGEMENT

# Start small. Validate quickly. Scale with confidence.

- 1 Share one high-volume SKU**  
Specification, quantity, destination and delivery window.
- 2 Receive a targeted mill shortlist**  
Relevant capabilities, documents and indicative pricing.
- 3 Compare parallel samples**  
See real output before you make a commercial decision.
- 4 Choose whether to proceed**  
Contract directly with the mill you select.

**No buyer fee. No obligation. One real specification.**

## Start with one specification.

Tell us your highest-volume SKU. We will return with a focused mill shortlist, indicative pricing and a practical next step.
