A six-step path from capability to shipment.

You decide what to quote and when to proceed

Celeris coordinates the process. The buyer and mill own the commercial transaction.

You keep the buyer and the commercial terms.

● No buyer funds held

● No title to goods

● Buyer relationship remains yours

Celeris is paid by the supplier only on shipped orders. No retainer, listing fee or exclusivity.

What we need to represent your mill credibly.

A concise capability profile helps us qualify enquiries before they reach your sales team.

PRODUCT RANGE

Sizes, GSM, thread count, weaves, finishing and customisation

BUSINESS PROOF

IEC, GST, export history and available certifications or audits

MOQ + LEAD TIME

Realistic MOQ per SKU and dependable lead-time guidance

SUPPLIER PROTECTION

Share only what is needed. Keep what is commercially sensitive.

01 NDA first

Mutual NDA before confidential information is shared.

02 Non-circumvention

Your introduced buyer is not routed to another mill.

03 Pricing privacy

You quote the buyer directly; Celeris need not see your price.

04 No client list

Your existing customer relationships remain private.

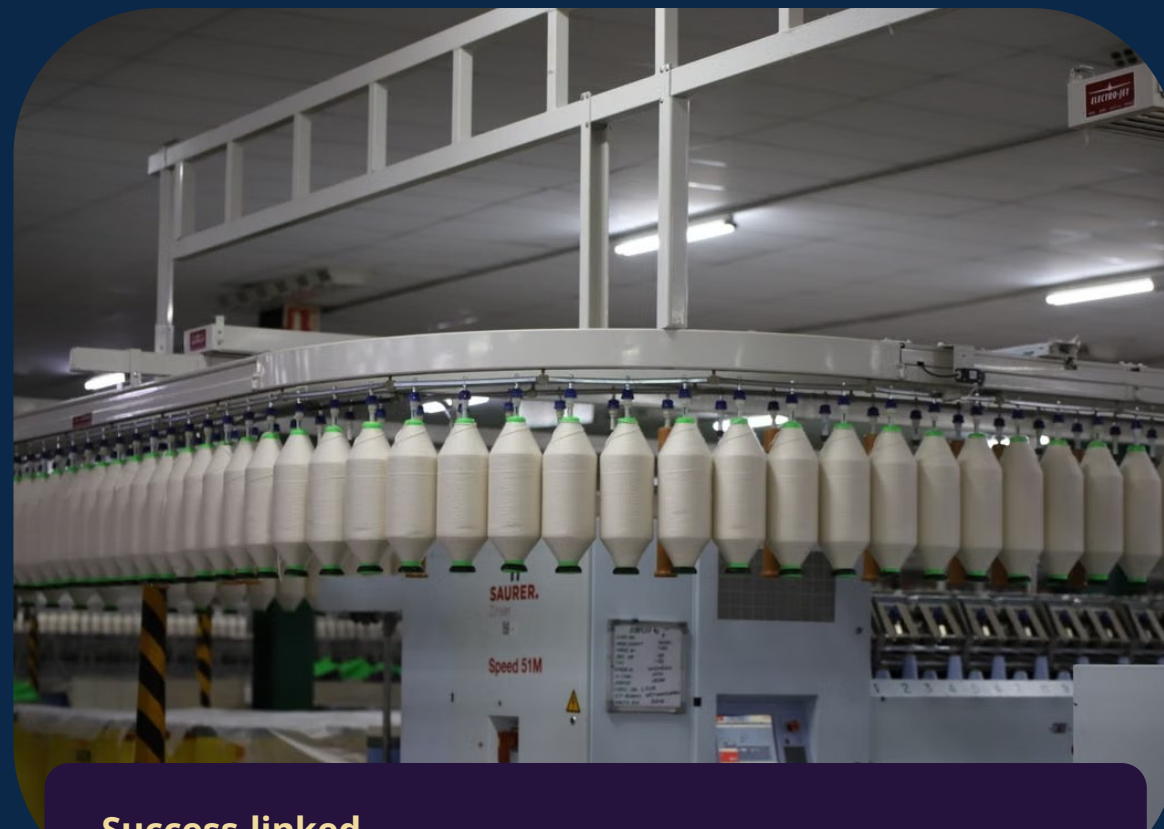

Build export reach without an overseas sales team.

RISE

qualified market development

Celeris develops hospitality distributors, OS&E importers, linen rental operators and procurement firms for suitable Indian mills.

Each opportunity is fit-checked against your capability, MOQ and delivery window.

Success-linked

No retainer, listing fee or exclusivity. Commission is payable only when an order ships.

Repeat, specification-led buyers fit best.

BUYER CHANNELS
